This is in response to the Notice of Non-Compliant Amendment mailed July 25, 2005.

Please substitute the attached corrected sections entitled "Amendments to the Specification" and "Amendments to the Claims" for the corresponding section in the Amendment filed July 11, 2005. The Notice points out that amended paragraphs were not provided. The attached section sets forth the paragraphs with markings to show the amendments thereto. The Notice points to missing text for withdrawn claims 14-27. The attached listing includes text for the withdrawn claims.

It is requested that the enclosed corrected sections be substituted in the Amendment, and that the Amendment be entered as compliant.

Respectfully submitted,
